Introduction

xBLUE is a unique and innovative project that combines the power of memes, social media, and blockchain technology. With a strong team, innovative features, and a powerful brand, we believe that xBLUE has the potential to become a leading player in the blockchain industry.

Features

Marketing Plan
Without any doubt, we have devised an extensive marketing strategy that is set to create a massive impact

For every active user transaction a 5% \$xBLUE reward is granted to holders, decentralized wallets only, fostering a healthy distributed network and community usage. The more \$xBLUE is actively used, the more rewards are granted!

RENOUNCED OWNERSHIP
We have decided to Renounce Ownership of SMC and team didnt hold tokens in the end

LIQUIDITY LOCKED
Nobody has access to the liquidity tokens including the developers.

State Of Token

***xBLUE is a reflection which mean investors will get their value of investments by just holding.
Each transactions on DEX giving 5% of tax to all holders a reflections.***
